The Property Information System combines real property (real estate) data from the Ottawa County Treasurer and Equalization Offices along with periodic update from the local units. The information on this website is for **REAL** property tax only. Information on Personal Taxes, Industrial Facilities Tax and Buildings on Leased Land must be obtained by the local unit of government.

We are now accepting credit card payments on tax years that have a Delinquent status only. The tax years that are in Forfeiture can only be paid by Cash, Cashiers Check or Money Order at the County Treasurers Office.

Government Units are responsible for updating Owner's Name and Address. [View dates of last update by government unit.](#)

For more current name and address information, please contact the [appropriate local unit.](#)
