

Please

PROPERLY DISPOSE

of your medications.

This is Joe. Joe is done taking the meds prescribed by his doctor, but he has some left. **What can Joe do?**

No, Joe! Dumping meds down the toilet or in the sink affects our drinking and ground water.

No, Joe! Throwing meds in the trash makes them accessible to others, and that can be dangerous.

No, Joe! Giving or selling your prescribed meds to someone else is illegal.

PHARMACY

Yes, Joe! Find a participating pharmacy or police station to drop your meds safely and anonymously. (See reverse for locations.)

October 28th is the National DEA Take-back day.

For specific Ottawa County events and locations participating in the prescription drug take-back event, please go to www.talksooner.org.

Joe knows **youth** in Ottawa County are **misusing prescription drugs** as early as age **14**. When taking prescribed medication, **be like Joe!**

DO talk with your youth about the risks of misusing medications. Download the **TalkSooner.org** app for help!

TS · conversation starters · emerging drug trends
· signs of drug use · community events

DO keep your meds in a locked location (i.e. a safe or cabinet).

**SAFE
MED DROP**

DO properly dispose of your unused meds at one of the following locations in Ottawa County.
