### SUMMER RECREATION CAMP REGISTRATION TIPS:

On the top right of page either LOGIN or REGISTER. If you already have an account with Sombrero/Stack/Sports Connect (from another sports team or from SL Youth Football (they used this platform in previous years) you will use the same login. Otherwise click on REGISTER and create an account. As a parent fill out the **Account Holder Information** section. Click on **Save**. Fill out the **New Participant Information** section with your child's information.

Add children as Participants by clicking on the plus sign on the right hand side of the page by the t-shirt icon. There will be a tab on the right hand side of the screen for each of your children. When you click on child 1 it will give you the camps that are available for that gender.

Click on the name of the camp (next to the circle with the 3 dots) and it will give you the description of the camp, similar to what is in the booklet. Click on View Division to see the various sessions available for that camp. To choose a camp click on the BLUE Select button. When done choosing camps the program will have you answer questions for each of the camps. You can then go to your next child and choose camps, etc.

When done choosing camps you can go to your shopping cart. Complete the online payment and wait for the camps to begin!!

As always, if you have any questions, please contact our office at 616-846-5502.
